DW L

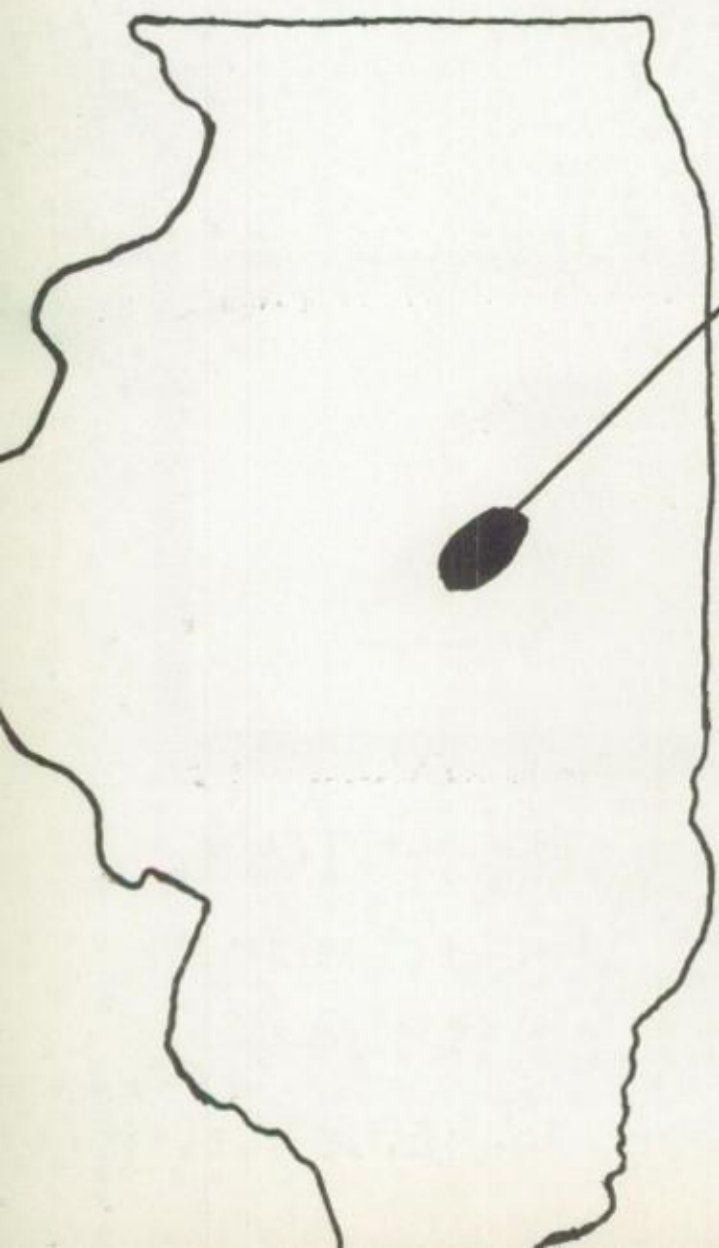

The Senior Class of 1964 Dedicates this Fifty
Second Volume of the OWL to our Alma Mater
. MOORE HIGH SCHOOL.

We came to you in the PAST.
We fell under the spell of your
spirit that was to guide us for
the years we were to spend
with your.

We learned the exultation of
victory and the desolation of
defeat in the PRESENT.

These, you taught us to accept
with dignity, and you prepared
us for new challenges in the
FUTURE.

May our deeds add lustre and
honor to your name.

'64 CLASS HISTORY

In the fall of 1960 the first class to go all the way through the new grade school entered Moore High. Although at first most of us were apprehensive about this new experience, our fears soon subsided and we were on top of the world when our float entitled "It's in the stars, the Rockets will fall," won first place. Our stunt "Fabulous Flashbacks" also won first place, making us one of the few Freshmen classes that have won both the float and Stunt Show.

The highlight of our Sophomore year was again winning first with our float "Farmers will make the Hornets 'BEHIVE!'"

In our Junior year we were kept busy producing the Stunt Show and Prom. Under the leadership of our competent president, Arete Swartz, we used new and ingenious decorations for the banquet and gymnasium.

The most important part of our Senior year has been producing the 1964 Owl to preserve the memories of our days here. These last four years have been fun for us all and we hate to say . . . FAREWELL.

IN THOUGHT

In memory of
John Fitzgerald Kennedy
whose death was a tragic
event in our senior year.

AND MEMORY

In Memory Of
Bryan Owens

We were all saddened by the death of Bryan Owens. He was an efficient worker, always willing to lend a hand and to help the students around school. Above all, he was our friend, and we will miss him.

We pause to take a backward glance at our PAST.

We behold a profusion of memories.

Our record has been written.

We thank you, Mrs. Reeder, for directing us in recapturing our years
